The Spring Festival is very important in China. We do a lot to celebrate the festival. We clean the house and buy a lot of food to get ready for the family party. Red is the colour of the Spring Festival and brings good luck. We can see big red lanterns everywhere and get red envelopes with lucky money. We have a traditional family dinner before Chinese New Year arrives. All the family members make dumplings together before 12 o'clock on Spring Festival Eve. That is my favourite family activity because I can listen to my grandparents' old stories while making them. Chinese Spring Festival is full of happiness, hope and peace.

M: Oh, that's sad. But don't worry. I'm sure she'll get better.

W: Yes, perhaps. Anyway, let's go—I don't want to be late for school.

M: Oh, you're right—it is late. Let's go.

**Text 5**

Good afternoon, everyone! It's very important to sleep well. Now I want to share some tips from Doctor Ben.

First, don't go to bed with the TV on. Noise and lights will keep you from getting a good rest at night. Second, don't think too much before bedtime. Do your most difficult homework earlier in the evening. If your brain is too busy and full of ideas, it takes longer to get to sleep. Tip three: Don't play games more than 30 minutes before you go to bed. They also make your brain too busy and active. Tip four: Turn off your cell phone before you go to bed. If possible, leave your phone in another room. Tip five: Play music if you like. But not too loud. Make sure it is soft and peaceful and without sound turned up too high.

Tom Cat's Story

My name is Tom and I am a cat. I have a big problem—Felina. Felina is my owner. You see, she doesn't understand how people should take care of their pets. She has very strange ideas about the relationship between people and pets.

Felina treats me like a human child. She worries about me and tells me what to do all of the time. She doesn't want me to go outside and play with other cats. She makes me sit on her lap every night while she watches television. Boring. And the shows she watches! No taste at all!

There's more. Felina brushes and combs me twice a day. She takes me to the Pet Beauty Clinic once a week for a bath and shampoo. Really. Cats can take care of themselves. Doesn't she know that

we have tongues (舌头) that we use to lick ourselves and keep clean? She puts something on me to keep the fleas (跳蚤) away. It smells really bad and I think it might make me very sick.

Felina thinks she knows what kind of food I like. She doesn't even have a clue. She feeds me very expensive cat food and she puts it in a silver dish. Really! Who cares? All I want is some day-old fish that stinks (发臭). And a little water. That's all. Is that asking too much?

One time I managed to get out of the house. Did I have a good time! I ran around with some other cats in the neighborhood. We ate garbage (垃圾) and ran after a dog. I even killed a bird and ate it. Good fun! But when I returned home, Felina went crazy. She was so angry. She took me right to the Pet Beauty Clinic, even though I had just been there the day before.

Once, I got into a fight with my street cat friends. When I came back home, Felina went crazy. She cried and cried. Sure, I was bleeding a little, but it was nothing big. She screamed that she would never let me play outside again, and for the next two weeks, she took me to the vet (兽医) five times. Come on! There was really nothing wrong with me!

I'm afraid my social life is now over. I will be stuck (困住) indoors with Felina for the rest of my days. How terrible!
