One possible version:

Dear Jim,

Glad to receive your letter. You mentioned that you were doing a survey on smartphone use of middle school students. As one of them, I'd like to share my opinions with you.

Smartphone use is very common among middle school students because smartphones can be of great help to our life and study. We can shop online, book tickets and chat with friends as long as the smartphone is available. Besides, the smartphone is also a learning tool for us students. With plenty of learning resources online, we can always turn to the smartphone when we come across difficulties in study. However, smartphone use also brings a lot of problems. Students may spend too much time on it. And what we read online may not be true at all.

As for me, I always use the smartphone to stay in contact with my friends and play games. I also find it convenient to read books on it. But with more pressure in senior high school, I am trying to use the smartphone more wisely.

What about you? Can you give me some advice on smartphone use?

Yours,

Li Hua

第一节：听下面 4 段对话。每段对话后有一道小题，从每题所给的 A、B、C 三个选项中选出最佳选项。每段对话你将听一遍。

M: Is there anything I can do to help you, Mum?

W: Yes. Please go to the store and buy some eggs. We have beef and vegetables in the fridge.

M: OK.

M: I love looking at the snow, but it's cold outside. Maybe I'll stay inside today.

W: But the sun is shining, and you have a warm coat, so let's do something outside. How about we go ice skating?

M: That sounds fun, but I don't have ice skates. How about we go snowboarding instead?

W: All right!

W: Stop checking e-mails! We are in the middle of a vacation!

M: OK! One more minute, and then I'll turn it off.

M: Excuse me, would you please tell me where the nearest bank is?

W: Sure. Go down the street and turn right at the corner. You'll see it on your left.

M: Thank you.

第二节：听下面 3 段对话。每段对话后有两道小题，从每题所给的 A、B、C 三个选项中选出最佳选项。每段对话你将听两遍。

听下面一段对话，回答第 5 至第 6 小题。

M: Betty, I'm surprised to see you here on the subway. I thought you drove to work every day.

W: I seldom drive now.

M: Why?

W: The traffic is always heavy during rush hour, and I'm fed up paying so much for gas.

M: Why don't you take the bus?

W: The buses are crowded and unreliable.

M: I've taken the subway to work for two years, and it's wonderful! It goes straight to our company.

W: You're right.

听下面一段对话，回答第 7 至第 8 小题。

W: Welcome back, Dad.

M: Oh, Emily. How are you today?

W: Fine.

M: Good. And how was school today?

W: Really fun.

M: Good. And what did you do?

W: We made things in the workshop.

M: What types of things did you make?

W: We made books.

M: You made books! And what else?

W: We made paper kangaroos too.

M: You made paper kangaroos? OK. And what did you use to make your paper kangaroos?

W: We used crayons, paper and glue.

M: Well, good. And what did you do after school?

W: We exercised. I rode my bike and my friends went running.

M: That's great. Well, let's get ready for dinner.

W: OK.

听下面一段对话，回答第 9 至第 10 小题。

M: Kathy, we need some help for the charity show on Saturday. Do you think you can help?

W: Sure, what do you want me to do? I can make some cookies if you need.

M: No, Mary will take care of that.

W: OK, what about cleaning up? I can pick up litter after the show.

M: John has volunteered to do that.

W: So how can I help you?

M: The talent contest.

W: The talent contest?

M: Yeah, you know. The problem is—we don't think many people will volunteer to take part unless some people have already signed up, so I want you to sign up now.

W: All right.

M: What can you do really well?

W: I can cook!

M: I don't think people are going to want to watch you cook, Kathy!

W: I can do some card tricks.

M: Do they always work?

W: I can practice! They usually work!

M: Hmm! What about singing?

W: My voice isn't bad! I can sing songs at the show.

M: That's great. You only need to sing for a couple of minutes. I think other people will be more willing to sign up now. Thanks a lot Kathy. I really appreciate it.

W: Sure, no problem!

第三节: 听下面一段独白, 根据题目要求在相应的横线上写下第 11 题至第 15 题的关键信息。每小题仅填写一个词。这段独白你将听两遍。

We at the Countryside Club love the outdoors and we want young people to love it too. That's why, once again, we are holding a writing competition. Last year, we asked children to write about their favourite animal from the British countryside. This year, the subject is different. We want you to write about your favourite place in Britain. It could be a beach, a forest, a park or a mountain. But it must be outdoors. You can't write about your bedroom! So, if you're between the ages of eight and fifteen, start writing! Last year, you had to be younger than 12 years old, but we decided to change it this year. You must write between 200 and 400 words. The best ones will appear in our Countryside magazine. The winners will also get a free family ticket to London Zoo. If you want to enter, please send your entry to 25, Black Street, Portland—that's 25 Black Street, Portland. Your entry must arrive before October 14th. We look forward to

reading your entries!
