## 题目①

Dear Peter,

Thank you for your e-mail. I often have the same problems in learning English. I'm very glad to to share my English learning experience with you.

It is very difficult for me to memorize some words, especially the long words. I often ask my English teacher for help and follow her advice. I write down the words and some sample sentences in a small book and put it in my pocket. Then I can read them whenever I have time. The more I read, the better I remembered. Now, I'm working hard on my spoken English. I will go to the English corner every Sunday afternoon. When I am alone, I will listen to some English songs and talk to myself in English.

Practise makes perfect! That's what I believe.

## 题目②

A model parent plays an important role in the development of his/her children. In my opinion, A good parent should be a good person who is full of patience, care, responsibility and understanding. A parent should actually care about the children, such as giving help and support when they have difficulties. A model parent should also be able to create a good family environment to love their children and themselves.
