题目①

Dear Peter,

I'm writing to invite you to go to Beijing Expo in Yanqing with us. We are going to meet at the school gate at 8 o'clock in the morning. Then, we will all go together by bus. It will take us two hours.

When we get there, the teachers will take us to visit different gardens. The gardens show different cultures from different countries. I am sure they will be really interesting. Around 12 o'clock, we will have a picnic together. So please take some lunch with you. And more importantly, you'd better take your camera so that you can show the photos to your family.

I'm looking forward to your reply.

Yours,

Li Hua

题目②

Everyone meets difficulties in their life. I got a big one about three years ago. It was about English speaking which I had trouble with.

My English was poor. I had problems with the pronunciation. It made me nervous to speak in front of others because I was worried about making mistakes. The more I worried about it, the less I spoke.

One day, I realized that I should do something to change the situation. So I decided to practice speaking every day. For example, I listened to English CDs and tried to repeat after it.

Finally, I not only improved my pronunciation but also became more confident. When we meet difficulties, it is important to face them bravely.
