##### 题目①

Dear Peter,

I'm glad to receive your email. We are going to hold the class meeting next Monday. We can hand in our report by email to our teacher. I'd like to share some of my ideas on the report. At the beginning, I am going to talk about my happiness to be able to have classes back to school. Then, I'd like to compare different ways between studying online and studying at school. To end my report, I will stress the importance of listening to the teachers carefully in class.

If there is anything more that I can help you with, please let me know.

Yours,

Li Hua

##### 题目②

As we know, we may feel warm at anytime and anywhere. Last Friday it rained heavily, but I didn't take an umbrella. How upset I felt! When school was over, I had to stand in front of the classroom. At that time, my English teacher smiled to me and handed me an umbrella, saying, "Don't get wet. Go back home quickly." I was deeply moved by what she said and felt warm in my heart.

For me, nothing is more valuable than warmth and I'll keep it in mind forever.
