Dear Peter,

We all thank you because you have helped us a lot with our English. And you are so kind and patient to us that everyone in our class likes you very much.

With your help, we improved our spoken English and became more confident when we speak English. What's more, we learned so much about western culture and became more interested in learning English.

In order to learn English better, we are going to talk more with foreigners and read more English books.

### 题目②

I admire Yang Liwei most because he is a brave man and is the first Chinese astronaut who flew in space. I hope to be an astronaut in the future so that I can walk in space.

I know it's not easy to be an astronaut, so I will learn from him. I'll work harder and try to learn more about space. I'll do more exercise to keep me strong and healthy. I'm sure my dream will come true some-day.

We'll pick you up from your hotel at seven o'clock tomorrow morning. Then we'll drive around the south of the island. Our first stop is South Point. There is a beautiful view of the water below. And then we'll visit a small ice-cream factory. There you can see our delicious island ice-cream being made. We then continue around the island enjoying beautiful views of the coast. And we'll stop for a special lunch at a nice seaside café. After lunch, we'll head north, stopping at a beach. There you can swim in the sea, so you need to take your swimsuit and sunglasses. And finally we'll go to the nature park. You can see tigers and monkeys there. Er, one more thing, if you want to buy some gifts, you can go to the shop near the gate of the park. OK. I hope all of you have a good time. Are there any questions? If any, please ask me. I'll try my best to help you.
