Friends

When students go to a new school, it can be scary(害怕的). They worry about their studies. They also worry about making friends. But do not worry too much. Most of the time students and teachers in the new school are friendly. Usually there are some people you like at once. These people often like you too. How do people make friends? What makes a person a friend? Here's what one student says:

"My name is Helen. Amy and Sally are my best friends. We are fourteen years old. I like Amy because she is happy almost all the time and she is very friendly. Sally is a quiet person. She makes friends more slowly. But she is just as good a friend as Amy. They are both interested in the same things as me, and we listen to each other's problems. Amy likes to talk and Sally likes to listen. We are all good at different school subjects, so we help each other with our homework too!"

59. What do students worry about when they go to a new school?

60. Are students and teachers in the new school most of the time friendly?

61. Who are Helen's best friends?

62. Why does Helen like Amy?

63. What makes Helen, Amy and Sally friends?

Dear Peter,

How is everything going? I'm writing to tell you about my new school. It's a big school. There are about three thousand students in my school. There are six buildings: a classroom building, an office building, a science building, a library, a dining hall and a sports hall. We have four classes in the morning and three classes in the afternoon. Most of the classes are very interesting. We often read our favourite books in the library. We can play basketball, badminton and table-tennis in the sports hall. After school, we often join different clubs. My new school life is really interesting. I feel very happy and enjoy my life here.

Anything new at your school?

Yours,

Li Hua
