题目①

Dear Peter,

How is it going?

I am writing to invite you to visit the Capital Museum with my class. We are going to meet at the school gate at 7:30 a.m. this Friday. In the museum, we are going to experience local culture, see traditional art and many other things that are on show. You can learn more history about China. And you can take some notes while visiting. You'd better prepare a pen and a notebook for the visit. You can write down something important and share it with your friends.

I'm looking forward to your early reply.

Yours,

Li Hua

题目②

At my school, we held a practical activity about how to make a green school last week. In the activity, I watered the trees and flowers. And I collected waste which can be recycled or used again. I also learnt ways to save energy. Though I was tired, I was very happy.

I think it's important to keep the environment clean. I believe if everyone pays attention to our environment protection, my school will be more beautiful and comfortable to study in.
