My name is Li Hua and I'm 15 years old. I want to be a volunteer because I like playing with children and my dream is to be a teacher. And I think it's a good chance for me to help them. As a volunteer, I have some plans. I'll help them wash their clothes and clean their rooms. I'll also teach them singing and dancing and play games with them. I'd be very happy if I become a volunteer.

题目②

I think we should be kind to others and it is very important for us. When I started middle school, my friend Peter failed in the math exam. He was so sad that he wanted to give up. When I knew this, I encouraged him and gave him some advice. Every day we did homework together and I helped him when he was in trouble. With my help he improved a lot. I was very happy and proud.
