I always say hello to them wherever I meet them. At home, I often help my parents do chores. In the neighborhood, I'm always ready to help the people in need. Besides, I follow the rules in public places. For example, I don't drop litter and I always wait in line.*

第一节：听短文，记录关键信息

请听一段短文，根据所听到的内容和提示信息，将所缺的关键信息填写在答题卡的相应位置上。短文你将听两遍。

We're now spending too much time on our phones. It's high time to think about reducing our phone time. Here are some suggestions.

First, turn off notices. Don't always check the phone to feel you are wanted by someone.

Second, find out how much you're using your phone. If you'd like to reduce phone time, some apps may help. They will tell you how long you're spending looking at the phone.

Third, set up phone-free periods every day. You don't need your phone at the dinner table or while you're watching a movie. Try to set up phone-free periods. You could put your phone on Airplane Mode for the first hour after you get home from work.

Finally, don't use your phone as an alarm clock. Don't even take your phone into the bedroom.
