#### 题目①

Dear Sam,

I'd like to be a host for the English Broadcasting Station. My name is Li Hua from Class 1 Grade 3. I like watching English movies and listening to English songs in my spare time. I want to be a host because it's a good chance to improve my oral English, at the same time, I can help other students get more information which they are interested in. As a host, I have some plans. I am going to not only introduce some western culture, some good ways of learning English, but also share some beautiful English music and poems. I'd be very happy if I become a host.

I'm looking forward to your early reply.

Yours,  
Li Hua

#### 题目②

Being kind to others is a traditional virtue of Chinese people. I think it's very important for everyone. When I started middle school, my friend Peter failed in the English exam last year. He was so sad that he wanted to give up. When I knew this, I encouraged him and gave him some advice. Every day we did homework together, when he met some difficult English problems, I would help him to work them out. Little by little, with my help, he improved his English skills. At the end of this term, he made a great progress. He was very happy, I was also proud.
