39. 题目①

Dear Peter,

How are you getting on? I'm writing this email to invite you for a picnic. My brother and I are going to have a picnic at Green Park this Sunday afternoon. We are going there by bike. We have already bought some food, water and fruit. If you decide to join us, please meet us at our house at 11:00. You can bring some food you like. And you'd better wear your sports suits so that we can play badminton or fly kites at the park.

Yours,

Li Hua

## 题目②

*Perseverance leads to success.* At the age of fourteen, I started to play the flute. My mother bought me some books and CDs. I also watched some online videos and taught myself in my spare time. I practiced hard and made progress, and within the year I was chosen by the school band to play the flute. I'm proud of what I have done. When we have a goal in learning, we should work hard and keep going.
