How is it going?

There'll be a lecture on literature in our school. I'd like to invite you to attend it.

Here's the information for it. The place will be the lecture hall. The time is from 9:00 to 11:00 this Friday morning. The speaker is Mr. Li, an expert on Literature.

You may ask questions at the end of the lecture. If you like, you can read online articles on the topic and get ready for your questions.

If there is anything that I can do, please let me know.

Yours,

Li Hua

题目②

My role model

My role model is my chemistry teacher. She is very helpful and kind to all the students. She is always patient to answer questions from all the students. When I made a mistake, she never scolds me. She explains to me my errors and helps me to understand what I have done wrong. All the students in my class like her. When I grow up, I want to be a teacher just like Miss Zhang to help the children in my village.

How lucky I am to meet him in my school life! I'll try to be a person like him.
