题目①

Dear Peter,

I'm glad to receive your email. We need to hand in the poster before next Monday. Now, I'd like to share some ideas on how I will make my poster.

The main part is about traffic rules. For example, we need to pay attention and stop at the red lights. Also, we can't ride side by side with friends.

To make my poster more attractive, I plan to add several pictures to it. Hope my ideas will be helpful.

If there is anything more that I can help with, please let me know.

Yours,

Li Hua

题目②

Charming Beijing, Cultural Tour

Beijing is a charming city full of culture. The best time to visit Beijing is during the spring. The weather is not too hot or too cold, so it is the perfect time of the year to be outside. During the spring in Beijing everything seems fresh and new.

For the traffic, it is very convenient for people to travel around Beijing because now people almost can reach all the places by bus, they don't need to change the line. People can also ride the bikes or take the subway to go anywhere they want.

When People are in Beijing, they can visit many famous places of interest. For example, the Summer Palace, the Great Wall, and the Temple of Heaven. The Great Wall is one of the wonders of the world and it is an amazing place to visit. The summer Palace and The Temple of Heaven are beautiful too. There are old buildings, fantastic artwork, and scenic views for people to enjoy. They can also go to Lao She Teahouse to drink some tea and see the Beijing Opera. I hope people will have a wonderful trip in Beijing.
