题目 1 :

Dear Peter

How is it going?

There'll be a voluntary activity to protect the environment. I'd like to invite you to

attend it.

Here's the information for it. We are going to meet at our school gate at 7: 00 this Saturday morning. Then we are going to a community by bus together. We'll put up the posters for environmental protection and pick up rubbish there.

If you want to go with us, you'd better take a plastic bag and wear comfortable shoes.
If there is anything that I can do, please let me know.

Yours,

Li Hua

题目 2 :

Teamwork is highly valued in the society. I think teamwork is very important in our life. Last term I played football in my school team. Although in the team everyone played perfectly, we lost the game at the beginning. Why? Because we didn't know how to work together. With the help of the teachers, we paid more attention to teamwork, and then we made a great progress.

Through this experience I felt that teamwork helps me do things more effectively.
