题目①

Dear Peter,

I'm glad to receive your email. I'm writing to let you know that you should do a presentation at our class meeting next Friday afternoon.

In the presentation, you are supposed to introduce a book that has greatly influenced you. First, you can give a brief introduction of the book. You can also add some background information, such as who the writer is and when it was written. Then, you can introduce your favorite character or the most exciting part of the book. At last, you should state how it has influenced you.

To make your presentation more impressive, a good PPT may help. Some key words and related pictures are necessary. I'm sure you'll do a great job and I'm looking forward to your presentation.

If there is anything more that I can help with, please let me know.

Yours,
Li Hua.

题目②

Time management plays an important role in our life. It's necessary for everyone to learn how to manage time well.

I've tried different ways to manage my time well since entering middle school. Before I began a day, I would think about my goals and make a list of things I needed to do. Then, I organized my to-do list to make an effective plan for the day. I always spent time doing important tasks first and took advantage of my downtime.

By managing my time well, I've benefited a lot. I've always managed to finish my homework on time and still have time to review and relax. Time management allows me to get the most out of each day and has helped me become successful in various areas of my life.
