What color clothes do you think will be popular (受欢迎的) in the future? Some people think blue will be popular, because blue means kindness. Everybody in the world hates war. Many people lose their family in wars. Blue makes people remember to keep peaceful (和平).

Other people think green will be popular because they think it is the color of nature. People in the world are thinking more about how to look after the environment (自然环境). When people wear green clothes, they will keep the environment in their hearts and try to make the environment better.

Yellow will also be a popular color. Why will it be popular? Yellow is a soft color and it can make people feel warm.

Most people think black is the color that will become the most popular. It always looks cool, and men often **show off** their social position (地位) by using this color.

22. People think blue_____.

- A. is a soft color
B. means kindness
C. makes people feel sad

23. What is the main idea of Paragraph 3?

- A. Green is the color of nature.
B. People like to wear green clothes.
C. Environment is in our hearts.

24. The phrase "'show off" in Paragraph 5 means_____.

- A. 争取 B. 挥霍 C. 炫耀
