题目①

Dear Peter,

I heard you are going back home next month. I am writing to tell you that we are going to hold a goodbye party for you. We are going to hold the party on Sunday in our classroom as it's a place full of memories.

We have made a short video of your school life in the past three years. We will watch it together at the party. Besides, we have prepared gifts for you so that you will think about us when you see them. Our teachers will join us as well. They will give you their best wishes. In the end of the party, we will take a photo of all of us together.

I am very sad that you are leaving. You have been such a good friend. And everyone in our class likes you. I hope we will have fun at the party.

I'm looking forward to your reply.

Yours,

Li Hua

题目②

A lot of things have happened in the past four months. What my English teacher did moved me most.

Because of COVID-19, we started studying online from February. Since we were all at home, we could only communicate with our teachers through the Internet. I had trouble with English grammar and I had a lot of questions. My English teacher told me that I could ask her questions by sending her e-mails, leaving her voice messages or calling her. She said that she would reply immediately in the evenings or at the weekends, no matter what time it was, as long as I needed her help. As promised, she was there for me the whole time.

I was moved because she was so responsible and kind. Most importantly, she tried her best to help me in a very difficult situation. I was so lucky that I had such a great teacher.
