题目①

Dear Peter,

I'm writing to invite you to the Chinese Arts & Crafts Show in our school.

It is going to be held in the school hall at 3:00 this Friday afternoon. At the show, you will see some students' works, like paper cuts, kites and lanterns. You can also learn to make a kite there. I think it's a good chance to help you know more about Chinese traditional culture. I'm looking forward to seeing you there.

If there is anything more you want to know, please tell me.

Yours,

Li Hua

题目②

It's very important for us to manage time wisely. On weekdays, I do my homework first when I get home from school. I work on just one task at a time. I also limit my time on mobile phone or TV. At weekend, I make a plan for all the things I have to do and stick to it.

By managing time wisely, I can not only complete my schoolwork on time, but also have some free time to relax.
