题目①

Dear Chris,

I'm glad to tell you about the person I admire most. I admire my mother most. She is selfless and hard-working. As a teacher, she spends most of her time and energy on her work and her students all enjoy her lessons. After a busy day at work, she makes every effort to take care of our family. She is also kind and understanding. When I have problems, she's always ready to help me and sees things from my point of view. I'm proud to have such a wonderful mother.

Could you please tell me about the person you admire most? I am looking forward to your reply.

Yours,

Li Hua

题目②

It's important for teenagers to learn to be independent. As for me, I have learned some basic life skills. I can tidy up my room and wash my clothes. I take daily exercise to keep fit. What's more, I'm good at managing my time. I can not only finish my homework on time but also spare some time for my hobbies.

Learning to be independent makes me grow as a person. Now I'm more confident, and I'm willing to do more things on my own.
