From him I learn the strong will which encourages me so much every time I want to give up. I take great pride in him.

题目②

Some factories produce terrible gas. Rivers are heavily polluted.

As a student, we should do something for the environment. First, we'd better reuse the old textbooks. Second, we should remember to turn off the lights when we leave the classrooms. Finally, it's a good idea to use china cups instead of paper cups.

It is important to protect the environment because we have only one earth. If we try our best, we can make the world a better place to live in.

请听一段独白, 完成第 14 至第 15 小题。

Good morning, boys and girls. I'm Mr. Smith. I'll introduce some safety rules to you. It is very important for you to keep safe at school.

First, in your PE lesson, you may get hurt. When you do all kinds of sports on the playground, you should be careful all the time and do what your teacher tells you to do. On the other hand, you should spend a few minutes doing warm-up activities at the beginning of each PE lesson. Don't forget to drink some water after your sports. It's good for your health.

Second, let's talk about classroom safety. Don't take the things like knives, scissors to school. They may hurt yourself or your classmates when you are using them in your classroom.

Finally, when something dangerous happens, please keep calm and follow the instructions of your teachers. Don't run or you may fall down. If there is a big fire or smoke at school, move near the floor with wet cloth over your mouth and walk on the right side to get out of the building quickly. Don't use the lift in a fire.

Above all, it is very important to keep the three safety rules in your minds. If necessary, practice them with the help of your teachers. Thank you for listening.

W: Now we have two working periods. That's nine to eleven on Saturday morning or three to five on Sunday afternoon.

M: I'd like to work on Sunday afternoon. I'm free every Sunday.

W: That's OK, Tom. Can you tell me if you have any experiences?

M: Well, I worked in an Animal Helper to look after the animals for 3 months.
