参考范文:

Dear Tony,

I'm glad that you are going to visit Beijing and experience Chinese culture. I'd like to give you some advice to help you make a perfect travel plan.

I think the best time to visit Beijing is in autumn because the weather is the most comfortable during this time of the year. It is neither too hot nor too cold.

If you want to know more about Chinese culture, the Qianmen area is worth a visit because there are a lot of things to do. You can drink tea and enjoy Beijing Opera in LaoShe Teahouse. You will also have a chance to taste many delicious local foods there. The Palace Museum is within walking distance, too.

I'm looking forward to your arrival.

Yours,

Li Hua
