题目①

The Temple Fair is one of the most traditional activities during Spring Festival holidays. We're going to meet at 9 o'clock on February 5th. I will be waiting for you at the gate of our school.

It will be cold in Beijing at that time, so you'd better wear warm clothes. Also, it's a good idea to take a camera with you since you may want to share your photos with your friends in America.

It will be very interesting and I am sure you will enjoy it.

题目②

I went to help in the community during last summer holiday. As for me, it's really a memorable experience!

I did lots of things there. In July, I helped to collect rubbish with other volunteers, and the community was so clean because we did a good job. Then in August I went to visit some old people who live on their own. I read some news to them and they were really happy. They also told me about their life in the past and it was rather interesting!

I am very proud of myself to join in the activity and help others because it's very meaningful. I would like to do more to help in the future.
