*April Fools', Mr Todd!* is a good book for children. It tells us a story happening (发生) on April Fools' Day (愚人节).

Mr. Todd is a teacher of Class 3. He's a tall man with short brown hair. He always wears a pair of glasses. And he always wears a white shirt. Now he's in the classroom with his students.

“Who knows what the first day of April is?” Mr. Todd asks.

My birthday!” Judy says quietly, but nobody hears her words . They are all saying “April Fools’ Day!”

“And what happens on April Fools’ Day?” asks Mr. Todd.

“Funny things!” “Jokes!”

“That’s right,” Mr. Todd says. “In France and Italy, people call it April Fish Day.”

“Does it mean going fishing on that day?” asks Rocky.

“No,” says Mr. Todd. “That means you tape (用胶带粘贴) a picture of a fish on somebody’s back (背部), and see how long it takes him or her to find out.”

...

Will Judy’s friends remember her birthday? Will Judy be the fool this year?

Do you want to learn more about the story? Go and read the book.

### D

Can you imagine (想象) you can fish in your home on a cold winter day? Do you know about a special kind of house ice fishing house? The house is like a large box. It is very clean and warm, so you can fish on the coldest winter days. Staying in such a house, you can do the fishing and even watch TV at the same time.

In North America and North Europe, many people like fishing on the ice in the cold winter. But it’s so cold outside and people don’t want to go out. That’s why people make ice houses. An ice fishing house is on the ice. The ice must be strong enough to carry it. In the house, people can dig holes (凿洞) in the ice and begin fishing.

People can have a lot of fun in their ice fishing houses. In the houses, there are enough things for everyday use. Some houses even have a bedroom, a kitchen and a bathroom. After fishing, people can cook the fish and enjoy their dinner. How wonderful!

Today, people build ice fishing houses with light materials (材料). The houses are not heavy, so it’s easy for people to **lift** them after fishing. Would you like to fish in an ice fishing house? You will like it!

24. People build ice fishing houses because \_\_\_\_\_.
- A. they like living on the ice  
B. they want to fish in warm houses  
C. they usually move houses in winter  
D. they are good at building special houses
25. What does the word “**lift**” in Paragraph 4 probably mean in Chinese?  
A. 改造    B. 清理    C. 出售    D. 移动
26. What do you know about the ice fishing house from the passage?  
A. The house is always small with one room.  
B. People can build the house with a large box.  
C. People need to find strong ice for the house.  
D. The house with some holes is not warm enough.
27. Which of the following would be the best title (标题) for the passage?  
A. A Special Kind of House      B. Winter Life in Cold Places  
C. How to Build an Ice House    D. How to Cook Fish in Winter

## 第二部分

本部分共 5 题，20 分。根据题目要求，完成相应任务。

### 四、阅读表达（第 28—30 题每题 2 分，第 31 题 4 分，共 10 分）

阅读短文，根据短文内容回答问题。

What is your favorite drink? Do you like cola or other soft drinks? If so, be careful! Soft drinks are not healthy. One soft drink has about 40g of sugar (糖). Too much sugar is bad for your teeth and makes you fat. How about energy drinks (功能性饮料)? Sporty kids like them a lot. But don't drink too much, or you will not sleep well and find it hard to concentrate (集中注意力) in class.

*soft drinks*

So what can you drink? Here are some cool and healthy drinks.

#### **Water**

Water? That's right. It is the best drink. Water contains (含有) no sugar or calories (卡路里). It won't give you bad teeth or make you fat. People need to drink eight glasses of water every day.

#### **Juice**

If you don't like fresh fruits or vegetables, 100% fruit juice might be a good choice. Just don't drink too much about 240 ml every day is fine. Once you open a bottle of fresh juice, drink it quickly or it will go bad.

#### **Milk**

Milk helps you build a healthy body. Milk gives children calcium (钙) they need. It's good for children's bones (骨骼) and teeth. How much milk should you drink in a day? According to a report from the United States, people over the age of nine need three cups of milk a day.

28. Are soft drinks healthy?  
29. What is the best drink?

30. How much milk should a 13 year old boy drink every day?

31. What is your favourite drink? Is it good for your health? Why or why not?
