题目①

Dear Peter,

How is it going? I'm writing to invite you to attend the activity about reading English classics and sharing your feelings. It is going to begin at 9:00 o'clock this Saturday morning and you should get to our school library on time. We are going to choose five students to talk about what they have read and what they have got from the books. They will introduce the contents of the books and their feelings after reading.

When they finish their speeches, it is going to be your turn to talk. I advise you to talk about your classic reading experience and give us some more suggestions about English reading. You also need to make a speech PPT to introduce some classic books to us.

I'm looking forward to your early reply.

Yours,

Li Hua

题目②

Role models have a great influence on our life. When people talk about role models, they always think about some pop stars or heroes, but my role model is my English teacher. When I

went into this school, I was not good at English. I couldn't understand what my English teacher said and I didn't want to learn it either. During English classes, I read other books or did my homework of other subjects. My English teacher didn't say anything when she saw what I did. One day, she asked me to her office, gave me an English book and let me read it. I opened the book and found I could read it and understand it with the help of the pictures. She taught me how to guess the meaning of some of the new words and also gave me another book to read and let me tell the stories to her next day. Because of her patience and encouragement, I read more books that I could read. I learned more words and I became more and more interested in English. I can also help other students to learn English with patience and encouragement.
