题目①

Dear Jack,

*I'm glad to receive your letter.*

The speech you asked will be set at 9 o'clock on Saturday morning in our school's meeting hall. I hope you can come and join us.

I think everyone feels angry about scribbling in famous sights because it's a very bad behaviour.

In my opinion, talking about how we can protect the famous sights is a good idea. For example, during the weekends, we can be volunteers and prevent scribbling in the famous sights. To raise people's awareness, we can also call on them to protect our famous sights on the Internet. I am sure the audience can understand what you mean if you relax and speak slowly and clearly in the speech.

*If there is anything more that I can help with, please let me know.*

*Yours,  
Li Hua.*

## 题目②

*Without enough exercises, we can't have a happy life.* Doing exercises during the outbreak of coronavirus is especially important, because it's a good way to keep us healthy in order to fight against the coronavirus.

There're various ways of doing exercise at home and you should choose what suits you best. It's a good idea to download the videos of gymnastics, and do it regularly. We can also do some simple exercises, such as push-ups and sit-ups. Having a match with our parents will make the exercises interesting and exciting.

Only by doing enough exercises can we stay fit and win the war with coronavirus.
