题目①

It will be held in our school hall at 4 p.m. this Friday. You can share your "Beautiful Home" by giving a speech. I advise you to talk about what you can do to protect the environment in the daily life. For example, walk or ride a bike to school instead of taking a car. Also, you'd better prepare a poster to make your speech attractive. Do not be shy and try to be confident.

I believe that the sharing session will be a meaningful experience for you.

题目②

The person I will never forget is my English teacher.

I still remember that day at the end of last term. I failed in a big English test. I was so sad that I wanted to give up. When my teacher knew this, she encouraged me patiently and shared some useful learning methods. During the following days, she also helped me with my English after class. Little by little, I improved my skills and finally made great progress.

I will always remember her kindness and I can learn that the key of success is to be brave when facing difficulties.
