### C Mind Maps (思维导图)

Mind maps are a great way of showing a picture of information that you need to learn. You can use mind maps for all kinds of learning. They work very well for vocabulary or words when you are learning a new language.

Draw a circle in the middle of the page and write the vocabulary subject in the middle. For example:

Brainstorm (头脑风暴) some word groups for 'transport' and think of headings for each one. For example:

air transport

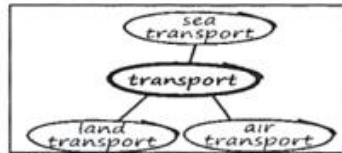

land transport

sea transport

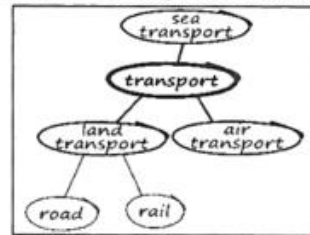

For each one, draw a short line (线) from the centre circle outwards. Add (增加) another circle and write the new group word in the middle.

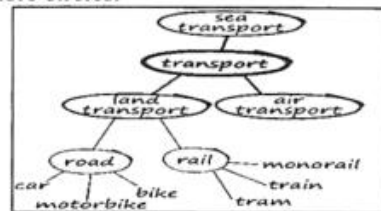

Look at each group and try to add more groups. For example, in 'land transport' there are two sub-groups:

- road
- rail

Draw two more lines, add two more circles and write the two new headings inside them.

When you can't make any new groups, add a line for each word you know. Write the words along the lines or, if you have space, write them inside more circles.

As you learn new vocabulary, add it to the mind map.

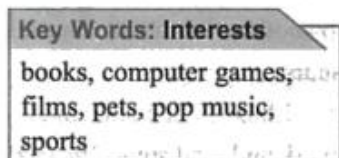

To make the mind maps even better, use colour to show important ideas or parts of the map.

Once upon a time, there was a little girl called Dorothy. Dorothy lived on a farm in Kansas, America. She lived with her aunt, her uncle and her little dog, Toto. One day, Dorothy's aunt and uncle were out working on the farm. Dorothy was in the farmhouse playing with Toto when a strong wind came and carried the farmhouse away.

Dorothy was so afraid. "Where are we going to land?" she said to her little dog. They came down in a land (土地) full of flowers. Suddenly, a beautiful lady appeared.

"Where am I?" said Dorothy.

"You are in the land of Oz," said the lady. "I am very pleased to see you. I am the Good Witch (女巫)." She thanked Dorothy for killing the Bad Witch.

"What Bad Witch?" said Dorothy.

"Look under your farmhouse," said the Good Witch.

Dorothy looked under the farmhouse. There she saw a witch. On the witch's feet were two magic (有魔力的) shoes. Dorothy put on the shoes.

“I want to go back home,” said Dorothy. “How do I get there?”

“You must go to see the Wizard (男巫) of Oz,” said the Good Witch. “He lives in the Emerald (翡翠) City, along the yellow road. He can help you.”

“Can you come with me?” said Dorothy.

“No,” said the Good Witch. “But I will be there when you need me.”

So Dorothy and Toto went along (沿着) the yellow road. On the way, they met a scarecrow, a tin man and a lion.

The scarecrow wanted to ask the wizard for some brains so he could think. The tin man wanted to ask the wizard for a heart (心) so he could love. The lion wanted to ask the wizard for some courage (勇气) because he wanted to be brave.

Dorothy was happy with her new friends. They all went along the yellow road together.

Soon, Dorothy, Toto, the scarecrow, the tin man and the lion came to the Emerald City.

Did their wishes come true? Read the story *The Wizard of Oz* and find out for yourself.

61. Did Dorothy live with her aunt and uncle?
62. What was Dorothy doing when the strong wind came?
63. Why did the tin man want to ask the wizard for a heart?
